

Advertising and design at affordable prices.

**Agency quality work without the hassle.**

Gulf Breeze News announces the expansion of their creative department by offering full-service advertising and design solutions without the overhead and bureaucracy of a traditional agency. Your project can be as streamlined or expansive as you need it to be.

**Design & Copywriting**

Our acclaimed copywriter and art director have over three decades of experience collectively. You will work one-on-one with the people who are actually working on your project.

And, our combined design and conceptual experience allows us to provide a quick turnaround which saves us all time and money.

**Direct Mail Packages**

At a time when consumers are requesting "do not call" status, Gulf Breeze News offers direct mail packages to help you increase sales and profits.

- ▶ A highly measurable method of advertising
- ▶ Reach high-income consumers in select areas
- ▶ Easily change your offer with each mailing
